

Introducing
CART Cups
for Work, Home & Car

CART Cups are a convenient way to collect donations for the **CART Fund**. Simply place your **CART Cup** somewhere you will see it frequently when you have spare change. Place the change in the **CART Cup** and periodically take your cup to your club's meeting and add it to your club's **CART Buckets**.

You can also place your **CART Cup** where it will be seen by family, friends, neighbors and colleagues. It's a great way to start a conversation about the CART Fund program!

For more information about CART Cups or to order, email CARTCups@gmail.com or visit

<https://RotaryClubOfLittleRiver.org/cartcups/>
